Gone

Thirteen Senses

Sometimes I rush to get right to the end
I know I'll get to this place when I feel the time is right
And sometimes I think that I know what I'm all about
But when I look inside,
I can see the truth come outAnd sometimes I try to go on
I know it's wrong
'Cause when I see your eyes
I can see the flame is gone, gone, goneSometimes I climb to the top to see what's above
But when I find it there, there's no time for happiness
And sometimes I count up to ten just to see when
When will I see the sun? In my eyes, I've just begunAnd sometimes I try to go on
I know it's wrong
'Cause when I see your eyes
I can see the flame is gone, gone, goneAnd sometimes I try to go on
I know it's wrong
'Cause when I see your eyes
I can see the flame is gone, gone, gone
Gone, gone, gone
