

# Feels So Good (Jared & Whitey Remix)

Nicole Scherzinger

Feels so good  
Feels so good  
Feels so good  
Feels so good, feels so Oh, when it comes to love  
And makes you do somethings  
Sometime the stupid things  
You're not so proud all So much for hangin' on forever  
Stickin' to the weather  
Wish we work together but Was it something I said?  
Something I did?  
Somewhere I should go?  
Something I should know? 'Cause I'm just tryin' ta be me  
Tryin' ta set myself free  
Gonna do it gracefully  
(Aah)  
While I'm screaming Aah, aah  
What else can I say?  
Aah, aah  
I just feel this way Aah, aah  
Nothing left to say  
Aah, aah  
Feels so good this way Now, when it comes to love  
I take the liberty  
I'm skippin' to the beat  
Of my own drum You know I love you, yes, I do  
But I've got tell, be true  
Wish that we will cool but Was it something I said?  
Something I did?  
Somewhere I should go?  
Something I supposed to know? 'Cause I'm just tryin' ta be me  
Tryin' a set myself free  
Gonna do it gracefully  
(Aah)  
While I'm screaming Aah, aah  
What else can I say?  
Aah, aah  
I just feel this way Aah, aah  
Nothing left to say  
Aah, aah

Feels so good this waySome things come over me  
Yes, gotta hold of me  
Lifting me up  
And I can see my dreamsI have my ups and downs  
Suffer my rounds and rounds  
But you know I'm good  
Because you hear me screamAah, aah  
Since you left that day  
Aah, aah  
I'm just not the sameAah, aah  
In no better way  
Aah, aah  
Feels so good  
Feels soAah, aah  
What else can I say?  
Aah, aah  
I just feel this wayAah, aah  
Nothing left to say  
Aah, aah  
Feels so good this wayFeels so good, feels so good  
Feels so good this way  
(Feels so good)  
Feels so good this way  
(Feels so good)Feels so good, feels so good  
Feels so good this way  
(Feels so good)  
(Feels so good)  
Yeah, yeah, yeah, yeahFeels so good, feels so good  
Feels so good this way  
Feels so good, feels so good
