Sometimes

Dr. Sin

Sometimes I'm all alone
It's so hard to carry on
Sometimes out in the cold
Sounds like a sad songI feel alone, down in a hole
I feel so cold, down in a hole
I feel insane, down in a hole
I just don't know what's right from wrongI'm on my own
Down in a holeSometimes I'm not so strong
Feels like my mind is gone
Sometimes it's like a game
That I've been playing in vain
