

# Planetary (GO!) (Vazquez/Gorman Remix)

## My Chemical Romance

There might be something outside your window  
But you'll just never know  
There could be something right past the turnpike gates  
But you'll just never know  
If my velocity starts to make you sweat  
Then just don't let go  
And if the heaven ain't got a vacancy  
Then we just, then we just, then we just, then we just  
Get up and go  
Ladies and gentleman, truth  
Is now acceptable fame  
Is now injectable process the progress  
This core is critical faith  
Is unavailable lives  
Become incredible now  
Please understand that I can't slow down,  
I won't be waiting for you,  
I can't stop now because I'm dancing  
This planet's ours to defend  
Ain't got no time to pretend  
Don't fuck around, this is our last chance  
If my velocity starts to make you sweat  
Then just don't let go  
'Cause the emergency room got no vacancy  
And we just, and we just, and we just, and we just,  
Get up and go  
(who) they want you to be  
(who) they wanted to see  
(go) kill the party with me and never go home  
Who they want you to be  
Who they wanted to see  
Just leave the party with me and never go home  
You're unbelievable,  
Ah, so unbelievable,  
Ah, you ruin everything,  
Oh, you better go home  
I'm unbelievable,  
Yeah, I'm undefeatable  
Yeah, let's ruin everything, blast it to the back row  
They sell presentable,  
Young, and so indigestible,  
Sterile and collectable  
Safe, and I can't stand it  
This is a letter, my word,  
Is the beretta, the sound of my vendetta,  
Against the ones that planned it  
If my velocity starts to make you sweat  
Then just don't let go

'Cause the emergency room got no vacancy  
Tell me who do you trust, do you trust, and we just  
We just get up and go Who they want you to be  
Who they wanted to see  
(Go) kill the party with me and never go home  
Who they want you to be  
Who they wanted to see  
Just leave the party with me and never go home You keep eternity, give us the radio  
Deploy the battery, we're taking back control  
Engage the energy, light up the effigy  
No chance to take it slow  
By now I'm sure you know, know, know, know, know (one, two, three, four)  
Get up and go (Who) they want you to be  
(Who) they wanted to see  
(Go) kill the party with me and never go home  
Who they want you to be  
Who they wanted to see  
Just leave the party with me and never go home Are we still having fun?  
Are you holding the gun?  
Take the money and run  
We'll never go home I've got nothing to lose  
You've got nothing to say  
And we're leaving today  
We'll never go home I think I better go now  
I think I better go now  
I think I better go now (go home)  
Gonna go now, gonna go now, gonna go now, gonna go now  
Go now, gonna go now  
Go home
