

One in a Million You

[Don Lewis](#)

Love had played its games on me so long
I started to believe I'd never find anyone
Doubt had tried to convince me to give in
Said you can't win But one day the sun it came shinin' through
The rain had stopped and the skies were blue
And oh, what a revelation to see
Someone was saying "I love you" to me A one in a million, chance of a lifetime
And life showed compassion
And sent to me a stroke of love called you
A one in a million you I was a lonely man with empty arms to fill
Then I found a piece of happiness to call my own
And life is worth living, again
For to love you, to me, is to live A one in a million, chance of a lifetime
And life showed compassion
And sent to me, a stroke of love, called you
A one in a million you A one in a million, chance of a lifetime
And life, showed compassion
And sent to me a stroke of love called you
A one in a million you, a one in a million you
