

# My Way

## Slapstick

Don't care about you and  
I don't have a problem  
I'll get along with out you  
I'll get along just fine, just me I turn my head and there she comes again  
I don't need you  
I keep on runnin' but somehow she's still here  
Do you still need me?  
I don't need you And everything I did  
I did it without you  
I'm gonna hate everything about you
