

# Forget Bout It

[Sean Kingston](#)

What about me, yea  
Oh what about you  
What about all the things that we done gone and went through girl  
Just forget bout it, get bout it (Cause i'm gone)  
Just forget bout it, get bout it (Cause im gone)  
So just forget bout it, get bout it (Cause im gone)  
So just forget bout it, get bout it (Cause im gone)Chu-chu-chu-chuckin up the deuces got me feelin like this  
Reminiscing all the times we went through and it's sick  
It hurts me, thinking bout it all again  
It hurts me, i'm thinking bout it all again  
Like damn, i don't think you understand  
I just wanna be more than your average man  
Please tell me where me and you stand  
If not, i'll be gone til November like damnWhat about me, yea  
Oh what about you  
What about all the things that we done gone and went through girl  
Just forget bout it, get bout it (Cause i'm gone)  
Just forget bout it, get bout it (Cause im gone)  
So just forget bout it, get bout it (Cause im gone)  
So just forget bout it, get bout it (Cause im gone)Rap verse.
