Knock Knock

Ijahman Levi

Part IWhat you gonna say
When Jah come
Knock knock on your door
Are you praying
Are you skylarking
What you gonna do
When Jah come
Knock Knock on your door
Are you playing
Are you happy and gayJah say like a thief in the night
Rastafari will visit
Pleasure lovers easy to catch
One by one they bit the dust
Jah life is a blessing
In his grace three score and ten
Jah life is to enjoy
Still them alive but them already deadWhat you gonna do
When Jah come
Knock knock on your door
Are you praying
Are you skylarking
What you gonna do
When Jah come
Knock Knock on your door
Are you praying
Are you happy and gay.Part IIIt's not a door
Of wood and stone
Jah Rastafari is coming through
Is this door that enter to your soul
Jah has the key to your heart
Take care in what you do and say
Jah Rastafari is watching you
On your mark, get set
Ready to go to RastafariWhat you gonna say
When Jah come
Knock knock on your door
Are you praying
Are you skylarking
What you gonna do

When Jah come knocking
Knock knock on your door
Are you playing
Are you happy and gay.What you gonna say
When Jah come
Knock knock on your door
Are you praying
Are you happy and gay
Jah say like a thief in the night
Rastafari will visit
Is not a door of wood and stone
Jah Rastafari is coming through
