Faded

Cinnamonia

Am I in love or am I faded
Yeah yeah
I wont know until tomorrow
Am I in love or am I faded
Yeah yeah
I don't know
Ooh oh
Ooh oh
Ooh oh
Ooh oh oh ooh
Ooh oh
Ooh oh
Ooh oh oh ooh
I don't know what it is what it is about ya
But I cant seem to take my eyes off ya
Gotta let you know that I'm in to ya
The later it gets I gotta have ya
Now that I'm at the end of the bottle
She looks like a supermodel
I think I'm reasy to go oh
Give her the keys to my car
I think I fell in love with the bar
Tonight I'm not going ho-o-ome
Ooh
Am I in love or am I faded
Yeah yeah
I wont know until tomorrow
Am I in love or am I faded
Yeah yeah
I don't know
Ooh oh
Ooh oh
Ooh oh
Ooh oh oh ooh
Ooh oh
Ooh oh
Ooh oh oh ooh
12' o'clock back at the club
And I think what happened last night is happening again

12' o'clock back at the club

And I think what happened last night is happening again
Tipsy with a girl who's not my type
But the late it gets it might be on tonight
Now that I'm at the end of the bottle
She looks like a supermodel
I think I'm ready to go oh
Give her the keys to my car
I think I fell in love with the bar
Tonight I'm not going ho-o-ome
Ooh
Am I in love or am I faded
Yeah yeah
I wont know until tomorrow
Am I in love or am I faded
Yeah yeah
I don't know
Ooh oh
Have I just had too much to drink
Or am I really feeling her
Have you ever been in a situation like this
Or am I the only one?
Am I in love or am I faded
Yeah yeah
I wont know until tomorrow
Am I in love or am I faded
Yeah yeah
I don't know
Ooh oh
Ooh oh
Ooh oh
Ooh oh oh ooh
Ooh oh
Ooh oh
Ooh oh oh ooh
Have I just had too much to drink
Or am I really feeling her
Have you ever been in a situation like this
Or am I the only one?
