Flowers And Beads

Iron Butterfly

Girl, I just know I love ya now.
Flowers and beads are one thing,
But havin' a girl is something.
That's if you've got a girl who loves you,

And thinks the whole wide world of you.
Flowers and beads are one thing,
But havin' you girl, that's something.
That's cause I know you love me only,
And that you'll never leave my heart lonely.

Girl, he just knows he loves you now.
You're all I talk about and everything I say and...
Girl, I just know I love you now.
Girl I love you, I love and need you in my lifetime.
Girl, I just know I love you.

Don'tcha think my love is true?
Girl, I just know I want you.
Don'tcha think my love is true?
Flowers and beads are one thing,
But havin' a girl is something.

That's if you've got a girl who loves you,
And thinks the whole wide world of you.
Flowers and beads are one thing,
But havin' you girl, that's something.

That's cause I know you love me only,
And that you'll never leave my heart lonely.
Girl, he just knows he loves you now.
You're all I talk about and everything I say and...

Girl, I just know I love you now.
Girl I love you, I love and need you in my lifetime.
Girl, I just know I love you.
Don'tcha think my love is true?

Girl, I just know I want you.
Don'tcha think my love is true?

Girl, I just know I want you.
Don'tcha think my love is true
