

Driven To Destruction

Send More Paramedics

A mind of rage
A face of hate
A need to kill and mutilate
Compulsive drive
Burning inside
I cannot help but take your life

Intensity
Insane degree
A burning torch
Of enmity
Against myself
Against you all

There is no hope for me at all

Obsession
Compulsion
Driven to

Destruction

Storm in my head

I'm seeing red
This pattern is inherited

It's in my soul
Beyond control

Drawn to this suicidal goal

Intensity
Insane degree
A burning torch
Of enmity
Against myself
Against you all

There is no hope for me at all

Obsession
Compulsion
Driven to

Destruction

We're all automatons: each one of us is a slave to the basic instructions embedded deep within our brains, the instincts enshrined deep down in our DNA. Inexorable logics, uncontrollable patterns in our behaviour; tics and compulsions that we can't avoid; obsessive thought, violence, delusion, paranoia: we're all zombies!

Set in my ways

Deranged and crazed
An instinct hardwired in my brain

A circle that
I cannot break

An order that must be obeyed

No fucking control
I have no fucking control
Forget illusions of free will

Enslavement by this need to kill
No fucking control
There's only one thing I can do
I've focused all my thoughts on killing you
