If Not Now...

Tracy Chapman

If not now then when If now today then Why make your promises A love declared for days to come Is as good as none

You can wait 'til morning comes You can wait for the new day You can wait and lose this heart You can wait and soon be sorry

Now love's the only thing that's free We must take it where it's found Pretty soon it may be costly

> If now now what then We all must live our lives Always feeling Always thinking The moment has arrived
