The Lion

Bridge 19

I'm a lion, I'm too big for you to conquer me. You can try and you can set me free, for a minute please. Trapeze a-flying, staring at the bottom of your shoes all night, I've been made to show a little fight, that's not me....

Tents and trailers, flaming rings of fire, one wheeled wonders riding on a wire. Lonely lion, imagination is my only friend, I wish that you could take me there again, but this is where it ends, this is where it ends, this is where it eeeeeends.... With tents and trailers, flaming rings of fire, one wheeled wonders riding on a wire.

(Trumpet solo)

Single lion, they all laugh because the jokes on me, when I make my move, well maybe then they'll see what I really mean.... Tents and trailers, flaming rings of fire, one wheeled wonders riding on a wire.

(Trumpet solo)

Tents and trailers, flaming rings of fire, one wheeled wonders riding on a wire.... I'm a lion, I'm a lion....
