

# Let It Rain (feat. Chris Quilala)

## Jesus Culture

Let it rain, let it rain.  
Open the flood gates of Heaven. I feel The rain of your Love,  
I feel The wind of your Spirit .  
And now the heartbeat of heaven,  
Let us hear (x2) Let it rain,  
Let it rain.  
Open the flood gates of heaven,  
(repeat)
