

Pure Morning (Les Rythmes Digitales Remix)

Placebo

A friend in need is a friend indeed
A friend with weed is better
A friend with breasts and all the rest
A friend who is dressed in leatherA friend in need is a friend indeed
A friend who'll tease is better
Our thoughts compressed which makes us blessed
And makes for stormy weatherA friend in need is a friend indeed
My Japanese is better
And when she is pressed she will undress
And then she is boxing cleverA friend in need is a friend indeed
A friend who bleeds is better
My friend confessed she passed the test
And we will never severDay is dawning, skins crawling
Day is dawning, skins crawling
Day is dawning, skins crawling
Day is dawning, skins crawlingPure morning, pure morning
Pure morning, pure morningA friend in need is a friend indeed
A friend who'll tease is better
Our thoughts compressed which makes us blessed
And makes for stormy weatherA friend in need is a friend indeed
A friend who bleeds is better
My friend confessed she passed the test
And we will never severDay is dawning, skins crawling
Day is dawning, skins crawling
Day is dawning, skins crawling
Day is dawning, skins crawlingPure morning, pure morning
Pure morning, pure morning
Pure morning, pure morning
Pure morning, pure morningA friend in need is a friend indeed
My Japanese is better
And when she is pressed she will undress
And then she is boxing cleverA friend in need is a friend indeed
A friend with weed is better
A friend with breasts and all the rest
A friend who is dressed in leather
