

Bubble Pop Electric (ft. Johnny Vulture)

Gwen Stefani

Come on Johnny, when you gonna get here? Alright, hold your pretty horses. I'll be there in a minute
You just get yourself dolled up alright toots
And you pick a place, you just pick a place Umm, Johnny? Yeah, Gwenie, Gwen, Gwen? You might want to
hurry, because tonight is the night I'm empty, I need fulfilling, yes I do love
To the ceiling, when I do love
I get this feeling when I'm in love I'm restless, can't you see I try my bestest
To be good girl, because it's just us
So take me now and do me justice I'm waiting patiently
Anticipating your arrival
And I'm hating
It takes so long to get to my house
To take me out Tonight, I'm gonna give you all my love in the back seat
Bubble pop electric, bubble pop electric
Gonna speed it down and slow it up in the back seat
Bubble pop electric
Uh-oh, in the back seat Ok now, I understand he's on his way now
But jeez Louise, I mean today now
I can't wait, I want to play now I'm antsy
Bubble pop electric pansies
My sweet tooth, I want your candy
The Queen of Eng would say it randy I'm itchy
I wish you would come and scratch me
Tonight I'm falling, won't you catch me
Swoop on by, so you can snatch me
And take me out Tonight, I'm gonna give you all my love in the back seat
Bubble pop electric, bubble pop electric
Gonna speed it down and slow it up in the back seat
Bubble pop electric
Uh-oh, in the back seat The need to be satisfied
Come pick me up, I want a ride
Hurry, hurry, come to me
Drive in movie
Drive in, move me
Drive into me Bubble pop electric
You've gotta get it
(Straight to me, drive in movie)
Take it to the back seat
Run it like a track meet
(Come to me, drive in movie) Tonight, I'm gonna give you all my love in the back seat

Bubble pop electric, bubble pop electric
Gonna speed it down and slow it up in the back seat
Bubble pop electric
Uh-oh, in the back seat Yeah, tell your father I said hello Johnny, get out of here
