Worm City

Sun Club

See you in and out x2
too many people in the house
people in the house.
so scared of my mouth x2
even with delay x2
see you in and out x2
Too many people in the house,
people in the house
so scared of my mouth x2
when you run out of luck! (WORM CITY)
make your kingdom out of rocks (sticks and mud!)
make the town be run by bugs! (WORM CITY)
the worms under earth can't run! (NOT FROM US!)

Even with delay x4
when you run out of luck! (WORM CITY)
make your kingdom out of rocks! (sticks and mud!)
make the town be run by bugs! (WORM CITY)
the worms under earth can't run!
(NOT FROM US!)

see you in and out x2
