

Get It Together

702

I don't really wanna stay
I don't really wanna go
But I really need to know
Can we get it together?
Get it together
Get it together I don't really wanna go
I don't really wanna stay
But I really hope and pray
Can we get it together?
Get it together You don't know the pain that I feel
You've taken my love for granted
And you just wanna see it your way, yeah
It's about that time
I'm gonna tell ya what's on my mind
I'm fed up with you not being here with me
When you know love is all I need
I don't want to stay I don't really wanna stay
I don't really wanna go
But I really need to know
Can we get it together?
Get it together I don't really wanna go
I don't really wanna stay
But I really hope and pray
Can we get it together?
Get it together
Let's get together, babe I can't let go
'Cuz being confused just takes control
I hope we can start brand new
'Cuz I don't want to lose you, oh no
With the love we shared
Baby it's all so rare
I'm willing to try and make you see
That all you need is here in me I don't wanna stay
I don't wanna go
But you gotta let me know
How you feel
Let me know how you feel I don't wanna stay
I don't wanna go
But you gotta let me know

How you feel
Just how you feel I don't really wanna stay
I don't really wanna go
But I really need to know
Can we get it together?
Get it together I don't really wanna go
I don't really wanna stay
But I really hope and pray
Can we get it together?
Get it together See I'm so confused
I just don't know what to do
And I don't understand, no
Ya know I don't wanna stay
You know I don't wanna go
Baby, please listen to me
I don't wanna I don't really wanna stay
I don't really wanna go
But I really need to know
Can we get it together?
Get it together
