Shadows In The Deep

Unleashed

Shadows in the deep, once flesh and blood
Promised to finally see the light
Taking farewell of this life's mortal Hell
Hope to face the master, his blessings to tell
But lost are the souls who gaze into void
In search for a life beyond the graveStill shadows bleed... eternallyShadows in the deep, longing for life
Endlessly regretting the search for the light
The mortal life is gone but still shadows bleed
Tortured are the souls from a life without sins
An eternal wait for bodily ecstasy
To revel in lust, anger and greedStill shadows bleed... eternallyShadows in the deep, not for man to see
Captured here forever, never to be free
Taking farewell of this life's mortal Hell
Hope to face the master, his blessings to tell
But lost are the souls who gaze into void
In search for a life beyond the graveBeyond the grave... shadows still bleed... eternally
