Hollywood Undead - Notes From The Underground (201

Hut 1 Hut 2 Hut 3 Go!
I'm so icy, like ice cream
All you ladies take a scoop and try to bite me
Girl I'll wear you out like some Nikes
Haters steppin up either beat feet or try me
Nibble on your ear like my name is Mike Tysie
Get you in the ring world champ all fiesty
Girl hurry up I'm a shot clock runnin out of time
Ain't no three pump chump shootin 3's on this baseline
Go on girl let me touch that body
You know I like it when you drop it low
Hike up that skirt get naughty
Hut 1 Hut 2 Hut 3 Go!
Go on girl let me touch that body
You know I like it when you lose control
Hike up that skirt get naughty
Hut 1 Hut 2 Hut 3 Go!
Roll up to the club with a napsack full of norcos
Lookin fly I'm like Zack Morris with cornrows
Girls look at me like that guy must make pornos
Yeah I'm pushing 30 but I still drink Mickey four O's
Shades on at night I'm fillin sleazy

Cut into the line like where the VIP be?
Yeah I'm the guy who talks about his weenie
Check the list again yeah they call me Charles P. Scene
Go on girl let me touch that body
You know I like it when you drop it low
Hike up that skirt get naughty
Hut 1 Hut 2 Hut 3 Go!
Go on girl let me touch that body
You know I like it when you lose control
Hike up that skirt get naughty
Hut 1 Hut 2 Hut 3 Go!
Cause I'm the kind of guy you'd love to be
There ain't nobody that could fuck with me
And the ladies want me to beat them cheeks
And all you fucking haters go beat your meat
Go on girl let me touch that body

You know I like it when you drop it low
Hike up that skirt get naughty
Hut 1 Hut 2 Hut 3 Go!
Go on girl let me touch that body
You know I like it when you lose control
Hike up that skirt get naughty
Hut 1 Hut 2 Hut 3 Go!
