# Finally Free

## Dream Theater

You are once again surrounded by a brilliant white light
Allow the light to lead you away from your past and into this lifetime
As the light dissipates you will slowly fade back into consciousness
Remembering all you have learned, when I tell you to open your eyes
You will return to the present, feeling peaceful and refreshed
Open your eyes, NicholasFriday evening, the blood still on my hands
To think that she would leave me now for that ungrateful man
Sole survivor, no witness to the crime
I must act fast to cover up, I think that there's still timeHe'd seem hopeless and lost with this note
They'll buy into the words that I wroteThis feeling inside me
Finally found my love, I've finally broke free
No longer torn in two
I'd take my own life before losing youFeeling good this Friday afternoon
I ran into Julian, said we'd get together soon
He's always had my heart, he needs to know
I'll break free of the miracle, it's time for him to go nowThis feeling inside me
Will finally found my love, I've finally broke free
No longer torn in two
He'd kill his brother if he only knewTheir love renewed they'd rendezvous
In a pathway out of view
They thought no one knew
Then came a shot out of the nightOne last time, we'll lay down today
One last time, until we fade away
One last time, we'll lay down today
One last time, we fade awayAs their bodies lie still and the ending draws near
Spirits rise through the air, all their fears disappear
It all becomes clear, a blinding light comes into view
An old soul exchanged for a new
A familiar voice comes shining throughThis feeling inside me
Finally found my life, I'm finally free
No longer torn in two
I learned about my life by living through youThis feeling inside me
Finally found my life, I'm finally free
No longer torn in two
Living my own life by learning from youWe'll meet again my friend, someday soon{News in London, France, Russia and Italy have deleted
Their lead story, all anticipating the outcome of the man
Considered to be a member of American nobility
And as you can imagine, as the skies have grown

Darker here over Washington, the mood has grown}{Darker as well and people here are beginning to resign
Themselves to the possibility that they are witnessing
Yet another tragedy in a long string of misfortunes
Reaction from everywhere from Washington and certainly
From around the world has guess}Open your eyes, Nicholas
Aahh
