Where Do I Fit

Tonic

Where do I fit inside of it?
Where do I stand? What is the plan?I long to see the sympathy
That lives inside of you
I want to be more simple, ohBut what is the plan for all of this?
Where do I crawl? Where is the wall?I long to see the sympathy
That lives inside of you
I want to be more simple, ohLong night's strain
Teach us change from fearI live to see the sympathy
That lives inside of you
I long to be more simple, ohWhat is the plan inside of here?
