

That's Jesus

Randy Travis

When I wake up in the morning, put my feet on the floor
I thank Him for the day that He gave me one more
I give Him all the praise, the one that I adore
That's Jesus, oh that's Jesus I was lost and all alone, my heart in need of help
I found eternal life and lost my fear of death
Because I know the author of my every breath
That's Jesus, oh that's Jesus God of glory, majesty
The Holy One who died for me
Who's the one I long to see?
That's Jesus, oh that's Jesus If you're a soul that's lost and in need of direction
You wonder when you die if you go to Heaven
Well friend I've found the answer to that very question
That's Jesus, oh that's Jesus God of glory, majesty
The Holy One who died for me
Who's the one I long to see?
That's Jesus, oh that's Jesus That's Jesus, that's Jesus
