It Won't Be Long

Keri Hilson

Said it won't be long
'Til everybody's singing my song
Said it won't be long
'Til everybody's singing
Everybody's singing my song
No it ain't no phase, I've been amazing
Look me in my face, no hesitation
Anticipation, let's get it started
Let's get it started, let's get it started
I walk alone dreaming about it
And I'ma touch that moon I don't need no rocket
Ain't no stopping
Let's get it started, let's get it started, yeah
Said it won't be long
'Til everybody's singing my song
Said it won't be long
'Til everybody's singing
Everybody's singing my song
Be long
'Til everybody's singing my song
It won't be long
'Til everybody's singing
Everybody's singing along
Go head go head the world is watching
Go head go head the world is watching
Go head go head the world is watching
The world is watching, the world is watching
The world is watching
Some do for love, some do for money
Some wanna party, some way to hungry
Tired of waiting, I'm tired of waiting
Let's get it started
Said it won't be long
'Til everybody's singing my song
Said it won't be long
'Til everybody's singing
Everybody's singing my song
Be long
'Til everybody's singing my song

It won't be long
'Til everybody's singing
Everybody's singing along
Go head go head the world is watching
Go head go head the world is watching
Go head go head the world is watching
The world is watching, the world is watching
Put your hands in the air the world is watching
Put your hands in the air the world is watching
Put your hands in the air the world is watching
The world is watching, the world is watching
Said it won't be long
(The world is watching)
'Til everybody's singing my song
(The world is watching)
Said it won't be long
(The world is watching)
'Til everybody's singing
Everybody's singing my song
Be long
(The world is watching)
'Til everybody's singing my song
(The world is watching)
It won't be long
(The world is watching)
'Til everybody's singing
Everybody's singing along
