Here With Me

Atb

You're the one that turns me on
Been waiting for you, oh so long
Can't believe that you are here with meYou're the one that turns me on
With someone else it feels so wrong
Feels like you've been gone an eternityI want to start anew never saying I'll make do
You've won me over again with your loving charms
I want to start anew we were never really through
Can't believe that you are here with meI want to start anew never saying I'll make do
You've won me over again with your loving charms
I want to start anew we were never really through
Can't believe that you are here with meI want to start anew never saying I'll make do
You've won me over again with your loving charms
I want to start anew we were never really through
Can't believe that you are here with meI want to start anew we were never really through
Can't believe that you are here with me
