

Winner

Swingfly

I never thought that I was gonna do shit
I picked my goal and then I focused on it
Now how will silver match my famiy name?
And I will NOT LOSE Let me EXPLAIN!

They told me pack up my bags, Packed.
Told me get out the house, left.

They said that was never gon Make it, boy you can rap till you run out of breath.
How many rap styles I don't have? No shots to my body I'm happy, Let's make a toast to this one 'cause, YES,
I'M HAPPY!
