La la la la la laJulie Cruise:

Yes, I got it all

Prestige, class, fortune

Good help is so hard to find

Except my tennis pro

(My husband doesn't know)Pharrel:

They're all trapped in the system

Unbeknownst to them they're trapped with no glass

Hello thereThey're all trapped in the system

Unbeknownst to them they're trapped with no glass

Hello there

Julie Cruise:

I give to many charities

It's just a tax write off

They breed, just like rats it seems

Why don't they get a jobPharrel:

They're all trapped in the system

Unbeknownst to them they're trapped with no glass

Hello thereThey're all trapped in the system

Unbeknownst to them they're trapped with no glass

Hello thereWoman:

I mean really it's so simple for them

I mean we're the ones paying the rent

And the food and.all the taxes

My God what more do they want

Julie Cruise:

Money Money Money Money Money

Money Money Money Money Money

It makes the world go roundPharrel:

They're all trapped in the system

Unbeknownst to them they're trapped with no glass

Hello thereThey're all trapped in the system

Unbeknownst to them they're trapped with no glass

Hello thereThey're all trapped in the system

Unbeknownst to them they're trapped with no glass

Hello thereThey're all trapped in the system

Unbeknownst to them they're trapped with no glass

Hello thereWoman:

I was bred to be special  
You're not one of us  
So don't try to fit in  
We'll just laugh you away I get melancholy sometimes  
My shrink says I'm repressed  
I'm just like my mother I guess  
Same class, wealth... bland husband
