

# Hold On (Holy Ghost! Cover)

## Friendly Fires

OhHow'd you mean?, What do you mean you're not coming by?  
I called you later and you were outside  
It always screams screams inside my head  
Curtains closed you'd be beside my head  
You were always down for it  
Get in this getaway and we run from it  
Yeah, you were always down for it  
Get in this getaway and we run from itYou're giving me the coldest stare  
Like you don't even know I'm here  
Why don't we turn the leaf? Why don't we turn the  
Why don't we turn the leaf? Why don't we turn theYou're giving me the coldest stare  
Like you don't even know I'm here  
Why don't we turn the leaf? Why don't we turn the  
Why don't we turn the leaf? Why don't we turn theWhat you've done, what you've done you can't keep inside  
By the end of the night I'll help you confide  
Cause I can see, see your sad self  
Cause I can see you're not being yourself  
Cause usually you're down for it  
Can't hold back a smile when you try for it  
Yeah, cause usually you're down for it  
Can't hold back a smile when you try for itYou're giving me the coldest stare  
Like you don't even know I'm here  
Why don't you let me sing? Why don't you let me  
Why don't you let me sing? Why don't you let meYou're giving me the coldest stare  
Like you don't even know I'm here  
Why don't we turn the leaf? Why don't we turn the  
Why don't we turn the leaf? Why don't we turn theWhatever done, However bad, Hold on hold on hold on  
Whatever done, However bad, Hold on hold on hold on  
Whatever it is, However bad, Hold on hold on hold on  
Hold on hold on hold on, hold on hold on hold onWhy don't
