

Devil Was In My Yard

The Sleepy Jackson

Now the Devil was in my yard then
But the Devil ain't in my yard no more
Now the Devil was in my car then
But the Devil ain't in my car no more How long, long girl? How long?
How long 'til you know that?
How long, long girl? How long?
How long? Devil was in my yard then
But the Devil ain't in my yard no more
Now the Devil was in my car then
But the Devil ain't in my car no more I'm gonna make it
I'm gonna make it
But whenever I break you I will not see you
But whenever I break you I will not see you I'm gonna make it
I'm gonna make it
But whenever I break you I will not see you
But whenever I break you I will not see you But whenever I break you I will not see you
But whenever I break you I will not see you Oh, Devil was in my yard
Oh, Devil was in my yard
