

# Good Body

## Buju Banton

Good body wey the gal them possess  
It demand the man and a-make them dead set  
Good body wey the gal them possess  
Inna the latest style, and inna nuff fanciness  
Stick like Crazy Glue  
Gal a hold him. No you?  
A gal can't hold her man she fi get pure boo  
Them no ready, them no act, but them waan follow you  
If the Father never sent you woman what them woulda do?  
Man a-sign up and a-line up to get close to you  
Big, bad, and brave, all gargamel too  
You hypnotizing, tantalizing, like a jigsaw puzzle  
Head up out the house when garga see you  
A just  
Good body wey the gal them possess  
It demand the man and a-make them dead set  
Good body wey the gal them possess  
Inna the latest style, and inna 'nuff fanciness  
Car cash, bottle mash to the way you look sweet  
Cannon salute cause your shape exquisite  
Well groom hair and chalk white teeth  
I never really unclear how nice me see it  
You left man breathless and short of speech  
Standard wey you set, respect concrete  
It's like the Penthouse logo, the world have to see it  
Cho! Buju Banton telling the world how she sweet  
Good body wey the gal them possess  
It demand the man dem and a make them dead  
Boody-bye  
Good body wey the gal them possess  
Inna the latest style, nuff fanciness  
I mean, what does it take for me to get next to you  
You want me climb a ladder and paint the sky blue?  
And if I fall, who will catch me? Baby, let it be you  
I love the dimples when you smile, but you cuter when you screw  
Me no matter, me no care - you can't wrong fi Buju  
Gwaan gal pickney them can't chat to you  
What me sing  
Good body wey the gal them possess

Inna the latest style, and inna nuff fanciness  
 Stick like Crazy Glue  
 Gal a hold him. No you?  
 A gal can't hold her man she fi get pure boo  
 Them no ready, them no act, but them waan follow you  
 If the Father never sent you woman what them woulda do?  
 Man a-sign up and a-line up, just to come a you  
 Big, bad, and brave, all gargamel too  
 You hypnotizing, tantalizing, like a jigsaw puzzle  
 Gwaan gal pickney them can't chat to you  
 Good body wey the gal them possess  
 It demand the man and a-make them dead set  
 Good body wey the gal them possess  
 Inna the latest style, love fanciness  
 Car cash, bottle mash to the way she look sweet  
 Cannon salute cause your shape exquisite  
 Well groom hair, chalk white teeth  
 I never read it inna the gleamer wid me how nice me see it  
 Man breathless some a them short of speech  
 Standard you set, your respect concrete  
 Cause the Penthouse logo, the world have to see it  
 Gwaan gal pickney you neat and...  
 What me sing  
 Good body wey the gal them possess  
 It demand the man and a-make them deadset  
 Good body wey the gal them possess  
 Inna the latest style, love fanciness  
 I mean, what does it take for me to get close to you  
 You want me climb a ladder and paint the sky blue?  
 And if I fall, who will catch me? Baby, let it be you  
 I love the dimples when you smile, but you cuter when your screw  
 Me no know, me no care - you can't wrong fi Buju  
 Gwaan gal pickney them can't stop unno  
 I sing  
 Good body wey the gal them possess  
 It demand the man and a-make them dead  
 Good body wey the gal them possess  
 Inna the latest style, love fanciness  
 Jungle gal them, jump up as unno could  
 Lima gal them, jump shackout like unno shoud  
 Uptown girl them, buju say unno look good  
 [?]  
 Good body wey the gal them possess  
 I sing... [fade]
