Desolate Path to Apocalyptic Ruin

Goatwhore

The Seething Light Inhales
Breath Of Mourned DelightAwaiting... The Storm
Blood, Fire, Chaos, And WarFrom The Black AbyssDamnation... Of The Pure
Fires Consume EternityThe Quest For Higher Pain
Endless Trail To An Extinct Plain
Obsessed With The Murdering Hand
This Numbness Covers My MindBlind... Slowly
Breaks My LawsAlmighty... Gods Of War
Besiege The Holy ThroneLight... Betrays Me
This Is My AloneDrifting On The Winds
Beneath Midnight Skies
Coldness Covers My Latent Eyes
Snake Skin Forms To Ignite SinSmearing The Hatred Of Disgust
Upon The Faces Of The Meek
Their Lips Burn With The Taste Of Plagued VirtuesThe Hands Of Destiny Are Non-Immortal
Deaths Foretold Of Past
Condemned To Repeat This DiseaseLoss Of DivinityDivine Loss Of SightBlack As The Cold Silence
I've Felt The Wars Of The EmpiresBreaking This Seal Inside For The Son Of All Wars
For The Reign Of A Forgotten Faith
Conversion Of The Flame To Fall To Sea
Filling The Oceans With All, Now I Will Become The SeasI Contest This Prayer To My Hatred
All Man's Lies Fall Into Sea To ExistReburn This Seal For A Closing Of Might
The Divine Bound To Writhe Into Eternity
This Is My Blame For The Loss Of The Sky
To Declare War Over These Lips Of Spite
