

# Breathe

## Various Artists

(Oh that feelin's rising...  
rising over me)  
Oh, that song is singin'  
Singin' in to me.  
Over everything,  
I used to be.Oh, that song is singin'  
Singin' in to me.Slow and sweet  
It carries me  
Carries me (x3)  
Out to seaAnd swallows me  
In to the deep  
And comforts me (x2)(Oh, it's all around me, it's all I can see  
Even when I close my eyes, It's holdin' me)  
Oh, that weight is liftin'  
Liftin' on me(Tenderly)  
It carries me  
Out to the sea  
And swallows me (x3)  
Into the deep  
And comforts me (x2)  
In ... In to the deep  
And comforts me (x3)Oh, that silence signin', singing to me...Breathe up to me (x2)  
Breathe in through me  
Breathe out through me  
Breathe in through meooh Breathe out through... through me  
Why don't you breathe in... breathe in through me  
and breathe out through me
