Hole in My Heart

Andrew Ripp

Left by the wayside
Hung out and left to dry
I don't know how I got here
Seems every time I try to get up I fall behind
I've been blinded by fear (mmmmm)

CHORUS:
There's a great big hole in my heart
Somebody help me; I think I'm going under
Calling out to the stars - it's an emergency
This hole in my heart.

Ten thousand heartaches
All the more the mistakes
Didn't even feel like trying
I was on the boundary
Too numb to feel anything
And I wouldn't be caught dead trying (oh)

CHORUS
Hold on to me
Hold on to me
I need you like a Sunday morning
Hold on to me
And never let me go

(mmmmm)

Calling out to the stars
(ooh) calling out

CHORUS
