# Point of Uncertainty

## Into Eternity

Advisory - the following lyrics contain explicit language:

Personal glory clouds your mind
Another victim of circumstancePoint of uncertainty
Words escape mePraised by your peers
Cascade like god
Your new life decays since you've strayedPoint of uncertainty
Words escape meYou've sold my dignity
Accusing me of this forgery
Fuck you and your snub perception
I'll transcend and rise abovePoint of uncertainty
Words escape meYou've sold my dignity
Accusing me of this forgery
Fuck you and your snub perception
I'll transcend and rise above
