

# I'll Dream of You

[Matt Monro](#)

I'll dream of you  
Till I can dream no more  
Until the stars above  
Shine in the sky no more  
I'll dream of you  
Until the seas run dry  
Though you refuse my love  
My dreams you can't deny  
Although you went away  
And broke my heart in two  
Until eternity I'll still remember you  
A million years from now  
My love I promise you  
If I can dream of love  
I'll dream of you  
A million years from now  
My love I promise you  
If I could dream of love  
I'll dream of you
