

# Fingernails

## Gronibard

Never reaching what I want to reach  
Never being who I want to be  
Blaming me when I fall and fail  
All my dreams splintering under my fingernails  
Under my fingernailsIm empty, lonely and accused, accused without a word  
My fingernails are chipping down from clawing in the dirt  
Im so lost, lost and confused, I threw it all away  
How can I be beautiful when I am so afraidNever reaching what I want to reach  
Never being who I want to be  
Blaming me when I fall and fail  
All my dreams splintering under my fingernails  
All my dreams out of reach under my fingernailsI watched it all slip through my hands, my brokenness revealed  
Im so proud, Im so proud Im crying to be filled  
Im killing, destroying the plague, thats killing me away  
Ive got to live, Ive got to love like I am unafraidNever reaching what I want to reach  
Never being who I want to be  
Blaming me when I fall and fail  
All my dreams splintering under my fingernailsNever reaching what I want to reach  
Never being who I want to be  
Blaming me when I fall and fail  
All my dreams splintering under my fingernails  
All my dreams out of reach under my fingernailsIm wasting, wasting every moment  
I want to be tasting, tasting every moment with you  
Im suffering, Im bleeding, on my knees, whos going to save me?  
Suffering, bleeding, save me from this pit of frailtyNever reaching what I want to reach  
Never being who I want to be  
Blaming me when I fall and fail  
All my dreams splintering under my fingernailsNever reaching what I want to reach  
Never being who I want to be  
Blaming me when I fall and fail  
All my dreams splintering under my fingernails  
All my dreams out of reach under my fingernailsNever reaching me
