

# Kitty

## Senryu

Out in the wide world Kitty, pretty Kitty  
Out in the wide world Kitty, far across the sea  
    My Kitty sailed away from me  
    To strange and distant lands  
    And when I asked a goodbye kiss  
    She said, "Oh no, shake hands"  
Out in the wide world Kitty, pretty Kitty  
Out in the wide world Kitty, far across the sea  
    When Kitty left she said she'd write  
    He promised her the same  
    But his address somehow got lost  
    And she forgot his name  
Out in the wide world Kitty, pretty Kitty  
Out in the wide world Kitty, far across the sea
