

# This Ain't No a-Side

## Eureka California

It's so nice to see you  
It's so good to see you here  
We haven't spoke in so many years  
I thought you died or maybe disappeared You know that Athens is dead  
And they'll hang you for listening to Sabbath until dawn Tell me why you came back  
Tell me what's your angle  
There's no ticker tape  
This ain't no parade  
This ain't no A-side  
But it sure ain't no B-side And besides you know Athens is dead  
And they'll hang you for listening to Sabbath until dawn Oh well you ain't no favorite son of my state  
And sometimes I think you're supposed to leave Tell me what am I looking at?  
Is this the boy who is or the boy who was voted most likely to be devoured by the sun? You know Athens is dead  
And they'll hang you for listening to Sabbath until dawn
