Time Warp

Richard O'Brien

Riff Raff
It's astounding
Time is fleeting
Madness takes its toll
But listen closely
Magenta
Not for very much longerRiff Raff
I've got to keep control
I remember doing the Time Warp
Drinking those moments when
The blackness would hit me
Riff and Magenta
And the void would be callingChorus
Let's do the Time Warp again
Let's do the Time Warp again
Criminologist
It's just a jump to the leftChorus
And then a step to the rightCriminologist
With your hands on your hipsChorus
You bring your knees in tight
But it's the pelvic thrust
That really drives you insane
Let's do the Time Warp again
Let's do the Time Warp again
Magenta
It's so dreamy
Oh, fantasy free me
So you can't see me
No, not at all
In another dimension
With voyeuristic intention
Well secluded, I see all
Riff Raff
With a bit of a mind flipMagenta
You're into the time slipRiff Raff
And nothing can ever be the sameMagenta
You're spaced out on sensationRiff Raff
Like you're under sedationChorus
Let's do the Time Warp again

Let's do the Time Warp again
Columbia
Well I was walking down the street
Just a having a think
When a snake of a guy gave me an evil wink
He shook-a me up, he took me by surprise
He had a pick up truck and the devil's eyes
He stared at me and I felt a change
Time meant nothing, never would again
Chorus
Let's do the Time Warp again
Let's do the Time Warp again
Criminologist
It's just a jump to the leftChorus
And then a step to the rightCriminologist
With your hands on your hipsChorus
You bring your knees in tight
But it's the pelvic thrust
That really drives you insane
Let's do the Time Warp again
Let's do the Time Warp again
