

Without Walls

Memphis May Fire

This is who we are!
These are the roads we paved,
the strength we found & the mistakes we made along the way.

This is who we are!
These are the roads we paved,
the strength we found & the mistakes we made along the way.

This is who we are!
These are the roads we paved,
the strength we found & the mistakes we made along the way.

This is who we are!
These are the roads we paved
and now I've had enough of your judgement.
You pass it so easily.
If you think that I take it to heart now you see this is my design. You don't know the cost.
So I'll keep my faith & you can stay lost.
Who is with me!? We have the strength to shed light.
And this is the moment suspended in time.
No limits, no boundaries at all.
Just when you think we conform to a scene we break down the wall!
