

The Time of Our Lives

Tina Dickow

Seems like we're holdin' on forever
I gotta let it go
Time's up, you pushed me to surrender
 Tonight
Who knows, what happens now, whatever
 Wherever the wind blows
And I'm there as long as we're together
 Alright
 Let's have the time of our lives
 Like there's no one else around
 Just throw your hands up high
Even when they try to take us down
 We'll have the time of our lives
 'Til the lights burn out
 Let's laugh until we cry
Life is only what you make it now
 Let's have the time of our lives
 Dreamers don't care if it's right
 I think I'm really into you
Restless, let's leave it all behind
 Tonight
 Crazy, when you cross my mind
 Oh, the trouble we could get into
 So what, let's just give this a try

 Alright
 Let's have the time of our lives
 Like there's no one else around
 Just throw your hands up high
Even when they try to take us down
 We'll have the time of our lives
 'Til the lights burn out
 Let's laugh until we cry
Life is only what you make it now
 Let's have the time of our lives
 Holding back
 What are we waitin' for?
 Take that chance
 Now's all we've got for sure

Let's have the time of our lives
Like there's no one else around
Just throw your hands up high
Even when they try to take us down
We'll have the time of our lives
'Til the lights burn out
Let's laugh until we cry
Life is only what you make it now
Let's have the time of our lives
