Portrait

Josephine

We are, are society
We are, what we saw on tv
When we were tiny
When we were tiny
Am I a portrait of the person Im supposed to be?
Am I a portrait of the person Im supposed to be?
And how would I know?
And how would I know?
We are constantly, trying to prove our world
Building higher and higher, the writings on the wall
Every rose we grow, we named it so
Am I a portrait of the person Im supposed to be?
And how would I know?
And how would I know?
How would I know?
How would I know?
If Im a portrait of the person Im supposed to be
If Im a portrait of the person Im supposed to be
If Im a portrait, what should I, what should I be?
If Im a portrait of the person Im supposed to be.
