

Down and Dirty

[Keyshia Cole](#)

I want to get, you want to get
Let's go and get down and dirty
Baby, play the game, play my way
But either way it's all the same, baby I want to get, you want to get
Let's go and get down and dirty
Baby, play the game, play my way
Either way it's all the same, baby You're the type of guy to drive a girl wild
And you're the type of guy to make a girl smile
Boy, you've got me tripping deep down inside
And all these feelings for you that I have, I can't hide
People say, don't get down with you, but I know how I feel for you
Though I may deny it, I'm digging you and that's how I want to get, you want to get
Let's go and get down and dirty
Baby, play the game, play my way
But either way it's all the same, baby I want to get, you want to get
Let's go and get down and dirty
Baby, play the game, play my way
Either way it's all the same, baby There ain't no way they can make me think I should go away
I've been around you, baby, everyday
And the song I sing, every word I mean
'Cause I can't stop something sent from above
Baby, don't stop your touch, I could never get enough
Sweetie, feel me up, with your precious love
'Cause that is how I want to get down I want to get, you want to get
Let's go and get down and dirty
Baby, play the game, play my way
But either way it's all the same, baby I want to get, you want to get
Let's go and get down and dirty
Baby, play the game, play my way
Either way it's all the same, baby I want to get, you want to get
Let's go and get down and dirty
Baby, play the game, play my way
Either way it's all the same, baby I want to get, you want to get
Let's go and get down and dirty
Baby, play the game, play my way
Either way it's all the same, baby
