Magnetism

U.F.K. Dubstep

It's not my desire, it's not my choice
It's not intentional, I'm hypnotized by your voice
The same old thing but always new
It's unbelievable how strongly I feel for, towards youIt's more like magnetism than anything else
I can't fight, I'm pulled against my will
It was not my decision, if you couldn't tell
It's more like magnetism, I can't even control myselfCannot keep away, I feel the tension grow
It's getting stronger now, it's getting stronger now
It's getting stronger now, you're all I see
You have so much power over meIt's more like magnetism than anything else
I can't fight, I'm pulled against my will
Oh, it was not my decision, if you couldn't tell
It's more like magnetism, can't even control myself, myselfIt's more like magnetism between you and me
I can't fight, I'm pulled against my will, yeah
My appetite to coincide with you grows stronger every night
And I can't fight magnetism, you know I can't even control myself
Oh, myself, oh
