Rope

Helvetia

This indecision got me climbing up the walls
I've been cheating gravity and waiting on the fall
How did this come over me, I thought I was above it all
Our hope's gone up in smoke, swallow your crownChoke! On a kiss, I thought I'd save my breath for you
Choke! On a kiss, I thought I'd save my breath for youGive me some rope I'm coming loose, I'm hanging on you
Give me some rope I'm coming loose, I'm pulling for you now
Give me some rope I'm coming out of my head, into the clear
When you go I come looseThese premonitions got me crying up a storm
Leave your condition, this position does no harmChoke! On a kiss, I thought I'd save my breath for you
Choke! On a kiss, I thought I'd save my breath for youGive me some rope I'm coming loose, I'm hanging on you
Give me some rope I'm coming loose, I'm pulling for you now
Give me some rope I'm coming out of my head, into the clear
When you go I come looseGive me some rope I'm coming loose, I'm hanging on you
Give me some rope I'm coming loose, I'm pulling for you now
Give me some hope I'm coming through, I'm counting on you
Give me some rope I'm coming out of my head, into the clear
When you go I come...
Loose
