

# Rope

## Helvetica

This indecision got me climbing up the walls  
I've been cheating gravity and waiting on the fall  
How did this come over me, I thought I was above it all

Our hope's gone up in smoke, swallow your crownChoke! On a kiss, I thought I'd save my breath for you  
Choke! On a kiss, I thought I'd save my breath for youGive me some rope I'm coming loose, I'm hanging on  
you

Give me some rope I'm coming loose, I'm pulling for you now  
Give me some rope I'm coming out of my head, into the clear  
When you go I come looseThese premonitions got me crying up a storm

Leave your condition, this position does no harmChoke! On a kiss, I thought I'd save my breath for you  
Choke! On a kiss, I thought I'd save my breath for youGive me some rope I'm coming loose, I'm hanging on  
you

Give me some rope I'm coming loose, I'm pulling for you now  
Give me some rope I'm coming out of my head, into the clear  
When you go I come looseGive me some rope I'm coming loose, I'm hanging on you

Give me some rope I'm coming loose, I'm pulling for you now  
Give me some hope I'm coming through, I'm counting on you  
Give me some rope I'm coming out of my head, into the clear  
When you go I come...
