

# Spring Is Here

## Joanie Sommers

Spring is here! Why doesn't my heart go dancing?

Spring is here! Why isn't the waltz entrancing?

    No desire, no ambition leads me

    Maybe it's because nobody needs me

Spring is here! Why doesn't the breeze delight me?

    Stars appear, why doesn't the night invite me?

    Maybe it's because nobody loves me

Spring is here I hear Spring is here! Why doesn't my heart go dancing?

Spring is here! Why isn't the waltz entrancing?

    No desire, no ambition leads me

    Maybe it's because nobody needs me

Spring is here! Why doesn't the breeze delight me?

    Stars appear, why doesn't the night invite me?

    Maybe it's because nobody loves me

    Spring is here I hear
