## Sublevados

It's about time I went in hard  
Fuck the singing for 16 bars  
I'm going in but I ain't going to my yard  
This is written in the hood, no where near the stars  
I'm sorry if I ever robbed you in the past  
from the bottom of the blocks to the top of the charts  
I used to save coins, now I'm swiping cards  
Now I'm in a spaceship, bun driving a car  
Fuck white and brown and black  
I've felt knives and bats and straps  
I got the runs when I swallowed them wraps  
Luckily I got famous and come out the trap  
Now I'm bringing 4 Mobo's back to my flat  
Same place the fed's try spin for the crack  
If they ever come back they ain't gonna find jack  
all they gone see is my face on a plaque  
See me, I only ride with a bitch that backs it  
Saying she ain't with me just cause I cracked it  
I'm always on a hype, she know what I'm like  
With a bottle she was up as soon as I smashed it  
If you violate, you fuck with my ego  
Never put your hands on Milo or Gino  
Cause I would get reckless like my brudda D-Bo  
Then go and tell the judge fuck you like Cee- lo  
We all wish we had cribs and Porsche's  
And it ain't just coke that gets imported  
Shout out to my brudda who just got deported  
And to his mother who didn't know where the court is  
I'm spontaneous, I don't care fam  
I said no to the Def Jam chairman  
You can't blame me, they can't change me  
Matter of fact fuck this guy I got bare fans  
So follow the leader 'cause yes I did it  
I shut down twitter in 15 minutes  
Most man who get famous turn pussy  
But me I still jam in the endz and bill it  
You hate cause your gyal'a get bang like Cillit  
  
It don't matter how tough your skin is

I got a little young star that will leave you all pissed on the floor and it won't be from Guinness

And yes, I am that boy of the telly  
And this shit right here round my neck is a belly  
Hit double plats before I turned 20  
I'm a brand like the guy who sticks it in Perry  
So fuck going shopping 'cause I get free clothes  
My minimum is 20 bags from a show  
If you loved pass out then check the front row  
Big up my two dubz; Tobias and Joe  
I hear a lot of gun talk and it ain't no joke  
The only mixtape I believe is K-Koke  
Animal on the mic, but I ain't no host  
I eat rappers alive, human beans on toast  
Times money so I bought me a cartier  
Estate agent told me I can't be late  
When I turned up I chucked her my briefcase  
Said take your shoes of my carpet mate  
Back in school we got judge by the teacher  
Who's on the panel now? T-Tulisa  
Act like a superstar all you want  
Real bad boy, sell out the 02 Arena  
25k if you want me on the feature  
I love singing, but you know I ain't a diva  
I'll say something fucked on your track like 'na-na'  
And save your career like a keeper  
Yeah, I ain't a MC, I ain't a singer  
I'm a M-singer, I'm everything  
I'm fucked!  
Read my book in 10 years  
Superstar, erupt shit  
I'm a legend in the making...  
Big up my boy Maze  
Big up my guy C  
Shout to my brother Alph  
and ZeeTVD  
I love you Mum, I see you Faze  
I miss you Dad, remember the days...
