

Love On a Two Way Street

Stacy Lattisaw

I found love on a two way street
And lost it on a lonely highway
Love on a two way street
And lost it on a lonely highway
Mmmmm uhmmm

True love will never die
So I've been told
But now I must cry
This is finally goodbye
I know
Mmmmm uhmmm

With music softly playing
His lips would gently say
Honey I love you
He held me in desperation
I thought it was a revolution
And then he walked out

How could I be so blind
To give up love the very first time
To be fooled is a hurting thing
To loved and fooled is a crying shame
While I passed the man
As he laughed my name

With music softly playing
His lips would gently say
Honey I love you
He held me in desperation
I thought it was a revolution
And then he walked out

I found love on a two way street
And lost it on a lonely highway
Love on a two way street
And lost it on a lonely highway
Mmmmm uhmmm

I found love on a two way street
And lost it on a lonely highway
