

You Know My Name

Courtney Love

Hey!
You know my name
I'll bring the truth
I'll never changeHey!
I am the one
The one you blame
I'll bring the shameReputation
Proceeds us all
I was never hereI don't believe in you
I don't believe in you
I don't believeAnd all this world is burning up
It's time that you retire
Get ready Ä¢Ëœbefore your last blows up
And all of you on fireHey!
You know my name
I am the one
Who brings the shameAnd hey!
You want the truth
Then I'm never wrong
Not about youI don't believe in you
I don't believe in you
I don't believeI don't believe in you
I don't believe in you
I don't believe in you
I don't believeAnd all this world is burning down
And all this world's a stage
And all of you, you look like clowns
And all this world's a cageHey!
You know my name
You always have
I tell the truthAnd hey!
I'm never wrong
I'm never wrong
Not about youThen I woke up, smelled the burning
Yeah, I woke up, dead or winning
Lost the battle
Lost the war
That's not what we came here forTurn me up, my name is never
No, my name, my name is never
Never surrender, never turn

Won the war, now go to hell
